

S1 Science: how well is your learning progressing?

Key area 1: The beginnings of scientific study.	I can do this.	I need to go over this.	I don't know this.	Level
I can identify risks in a Science laboratory and work safely to minimise this risk.				2
I can identify different pieces of laboratory equipment.				2
I understand the meaning of the word 'volume' and can state the units it is measured in.				3
I understand the meaning of the word 'concentration'.				3
I understand the meaning of the word 'mass' and can state the units it is measured in.				3
I understand the meaning of the word 'temperature and can state the units it is measured in.				3
I can describe how to set up a fair experiment.				3
