

S2 Science: how well is your learning progressing?

Key area : Plant Reproduction	I can do this.	I need to go over this.	I don't know this.	Level
I can state why plants are important to humans.				2
I can grow my own plant from seed.				2
I can describe the main parts of a seed.				2
I can describe the process of germination.				3
I can explain why some plants make flowers.				3
I can name the parts of a flower.				3
I can state the functions of each part of a flower.				3
I can describe pollination.				3
I can describe fertilisation in a flowering plant.				3
I can describe ways in which seeds are dispersed.				3
I can summarise the main stages of plant reproduction.				3
I can describe reproduction in plants without flowers.				3
