

## S2 Science: how well is your learning progressing?

Key area : Fertilisers	I can do this.	I need to go over this.	I don't know this.	Level
I can explain the use of lime in agriculture.				3
I can name the elements commonly found in fertilisers.				3
I can separate mixtures into their components.				3
I can describe the main stages of the nitrogen cycle.				4
I can calculate simple ratios.				3
I can carry out solubility tests and describe the effect of solubility on the usefulness of a fertiliser.				3
I can separate mixtures.				3
I can investigate the effects of fertilisers on the growth of plants.				2
