

Bathgate Academy

uniform

Our Bathgate Academy dress code was agreed in consultation with pupils, parents, staff, our parent council and local business partners. There are a number of reasons for having a clearly defined dress code, our school community agreed on the following reasons:

- In a large school, for the safety of all, it is essential that all pupils are instantly recognisable as Bathgate Academy pupils.
- Wearing school uniform instils pride, a sense of belonging and projects an appropriate image to our local community and visitors to our school.
- Items of school uniform are significantly more affordable than branded items of clothing.
- School uniform removed the stigma attached to not wearing more expensive branded items and also reduces peer-pressure.

Parents/carers are asked to co-operate with the school in encouraging the wearing of the school uniform.

We will contact home for pupils who are not following the dress code to discuss supporting this in the future.

Uniform adaptations to support learners needs can be arranged.
Please contact your child's House Leader to discuss.
